

DATE: 6.28.72

TO: Messrs. Proctor/Walsh, [redacted] and
the Ladies *Sp*

FROM: [redacted]

SUBJECT: [redacted]

REMARKS:

Here is our new classification/declassification regulation complete with a change to accommodate White House objections.

A Headquarters Notice also is attached which states [redacted] becomes effective Friday, 30 June.

Of most immediate import to us are the White House revisions which require identification of a classifying officer. I would recommend that the DDI and ADDI be identified just that way. As for the Executive Staff I would propose to identify them by position number. These numbers are as follow:

Chief of the Executive Staff - [redacted]

USIB and NSC Affairs - [redacted]

Assistant for Intelligence
and Production - [redacted]

We now have a collection of appropriate stamps* so I guess we might as well get on with it.

** see examples attached*
